Dear Sir / Madam,

**Reminder : Phase Out of Manual Application Submission for
Import and Export Licences / Certificates for Pharmaceutical Products and Dangerous Drugs**

Further to our letter issued to the relevant importers / exporters and professional organizations on 4 January 2021, we write to remind you on the phase out of manual application submission for import and export licences / certificates for pharmaceutical products and dangerous drugs (“IE and DD licences”).

We wish to emphasize that **with effect from 31 December 2021**, the Drug Office will only accept and process applications for IE and DD licences submitted online via the Pharmaceutical Licence Application and Movement Monitoring System (“PLAMMS”). Manual application submission for IE and DD licences and applications for import and export licences for registered pharmaceutical products submitted via the Electronic Services will no longer be accepted.

In order to ensure efficient and timely IE and DD licences applications, please register with PLAMMS and to start using the system if you have not already done so. For information on PLAMMS account registration, account registration form and other PLAMMS useful information, please visit the PLAMMS information section on Drug Office’s website below:
https://www.drugoffice.gov.hk/eps/do/en/pharmaceutical_trade/guidelines_forms/useful_guidelines_forms.html

For enquiries, please contact the PLAMMS Support Team at 3974 4159.

Yours faithfully,

(Grant NG)
for Director of Health
