

08 October 2021  
EMA/102302/2005 v. 6.19  
Human Medicines Division

## Member states contact points for translations review

The e-mail should include at least the following information:

**E-mail subject:** Post-opinion review – Day <...> – <Product name> – <EMEA procedure number> –  
Deadline for comments: <...>

**E-mail text:** Please find attached the product information for <Product name> in your national language.

<For PSUR: Period covered by the PSUR: <dd.mm.yyyy> - <dd.mm.yyyy> >

<Please note that due to the existence of usage patent(s) the Annexes reflect differences in SmPC/PL compared to the reference medicinal product> [only for generics/hybrids/biosimilars – delete if not applicable]

Comments in Word must be sent directly to <MAH translation contact point e-mail> with copy to the Agency <Product Shared Mailbox>.

Deadline for the linguistic review is: <...>

### Renewals, variations, referrals, annual re-assessments

Translations sent by Applicant/MAH and handled by Procedure secretary/Vet e-mail address

### Initial and line extension applications

Translations sent by Applicant/MAH to [QRD@ema.europa.eu](mailto:QRD@ema.europa.eu) with a copy to the product mailbox
