4 **GRAM.**

5 (a) **IN GENERAL.**—Section 565 of the Federal Food,  
6 Drug, and Cosmetic Act (21 U.S.C. 360bbb–4) is amend-  
7 ed by adding at the end the following:

8 “(j) **EMERGING PATHOGENS PREPAREDNESS PRO-**  
9 **GRAM.**—

1           “(1) IN GENERAL.—The Secretary shall estab-  
2           lish a program to facilitate the development, review,  
3           licensure, approval, and clearance of counter-  
4           measures, and products that could potentially be  
5           countermeasures, under the jurisdiction of the Cen-  
6           ter for Biologics Evaluation and Research.

7           “(2) ACTIVITIES.—The activities of the pro-  
8           gram established under paragraph (1) may include,  
9           either directly or by grant, contract, or cooperative  
10          agreement, the following:

11                 “(A) Any activities described in subsection  
12                 (b).

13                 “(B) Activities to advance scientific re-  
14                 search related to the development of tools,  
15                 standards, and approaches to assess the safety,  
16                 efficacy, quality, and performance of counter-  
17                 measures.

18                 “(C) Activities to maintain or enhance sur-  
19                 veillance programs that monitor counter-  
20                 measures.

21                 “(D) Activities to help ensure blood safety  
22                 and availability.

23                 “(E) Prioritizing the research and develop-  
24                 ment of platform vaccine technologies to sup-  
25                 port an emergency use authorization request

1           under section 564 or an application under  
2           351(a) of the Public Health Service Act.

3           “(F) Such other activities as the Secretary  
4           determines necessary or appropriate.

5           “(3) RULE OF CONSTRUCTION.—Nothing in  
6           this subsection shall be construed to alter the au-  
7           thority of the Secretary to license, approve, clear, or  
8           authorize countermeasures, including biological prod-  
9           ucts, pursuant to section 351 of the Public Health  
10          Service Act or section 505 or 564 of this Act, in-  
11          cluding standards of evidence and applicable condi-  
12          tions for licensure, approval, clearance, or authoriza-  
13          tion.”.

14          (b) AUTHORIZATION OF APPROPRIATIONS.—To carry  
15          out subsection (j) of section 565 of the Federal Food,
